

Curriculum Vitae

Personal data

:: **Address** ::

Milivoja Perovica 3/11,
11160 Mirijevo, Belgrade, SR

:: **Tel. Number** ::

(+381) 66 820 3001 mobile
(+381-11)3429-699

:: **E-mail address** ::

sumi@EUnet.rs

:: **Nationality** ::

Serbian

:: **Citizenship** ::

Serbian

:: **Birth date** ::

25/08/1955

:: **Gender** ::

Male

Professional membership:

:: European Academy of Sciences

Serbian Society for Soil Mechanics and Foundations

:: Serbian chamber of Engineers

:: Vice-president of ECEC 2012-2015

Languages

:: Serbian

:: English

:: Russian

DRAGOSLAV SUMARAC, PhD, MSc, BSc.CE.

Education:

:: **1974-79 Undergraduate study**

University of Belgrade, Civil Engineering Department (with a Dipl. Eng. degree 5 years req.), **Major:** Structures, Average grade: 9.51 / 10

:: **1980-83 MSc study**

University of Belgrade, Civil Engineering Department (with a Sc.degree 2 years. req.), **Major:** Thermoelasticity, Average grade:10/10

:: **1985-87 PhD study**

University of Illinois at Chicago, department CEMM, USA

Major: Theoretical and Applied Mechanics, Average grade: 4.93/5

Employment record:

Serbian Chamber of Engineers

President of the Assembly of Serbian Chamber of Engineers ::
21.12.2012. – 15.12.2016.

Member of Governing board of Serbian Chamber of Engineers,
03.03.2018.-present

:: 26.11.2007. - 10.04.2010.

PTT-Post of Serbia

President of Managing board of Public Enterprise PTT-Post of Serbia

:: 28.03.2007. – 21.12.2012.

Serbian Chamber of Engineers

President of Serbian Chamber of Engineers

:: 25.01.2001 – 03.03.2004

Ministry of Urban Planning and Construction

Minister for urbanism and construction, Serbian Government, Prime minister dr Zoran Djindjic

:: 1979 – present

University of Belgrade, Department of Civil Engineering

1979-88: Lecturer; 1988- 93: Assistant Professor,

1993-98: Associated Professor,

1998-present: Full Professor; Course taught: **Mechanics, Fracture Mechanics, Plasticity, Energy Efficiency**

DRAGOSLAV SUMARAC

Professional membership:

:: European Academy of Sciences,
Serbian Society for Soil Mechanics and Foundations
:: Serbian chamber of Engineers
:: Vice-president of ECEC 2012-2018

Languages

:: Serbian
:: English
:: Russian

Fellowships:

:: University of Illinois at Chicago, Department CEMM, 1985-1987, **USA**
Research assistant and graduate student (advisor prof. Dusan Krajcinovic). Research in Damage Mechanics.

:: University of Illinois at Chicago, Department CEMM, **USA** 1988 (3 mon.), 1989 (3 mon.), Postdoctoral fellow

:: Arizona State University, Dep. MEA, 1991-1992 (one year), **USA**, Visiting scholar

Honors:

:: Prize of the Assembly of the City of Belgrade for research: "20 October", (with Prof D. Krajcinovic) for the book "Elements of Fracture Mechanics", 1990.

:: Prize of the Chamber of the City of Belgrade (for Master's deg. work), 1984.

:: Prize "Dr R. Stojanovic" for the best paper, YU Congress of Theoretical and Applied Mechanics, V. Banja 1988.

Books:

:: D. Sumarac, D. Krajcinovic, Elements of Fracture Mechanics, (InSerbian) Naucna knjiga, Beograd, 1990.

:: R.Cukic, N.N. Veljkovic, D. Sumarac, Thermoelasticity, (In Serbian), Mecha. Engineering, University of Belgrade, 1993.

International journals:

:: Editor for the International Journal of DAMAGE MECHANICS (Techn. publ. comp., USA)

Advisor:

:: For the M.Sc. degree (two students): Sasa Stosic and Nina Kordic,

:: For PhD degree (six students): Lenart Djerdj 1996., Ljudmila Kudrjavceva 2007, Zoran Petraskovic 2013, Nazim Manic 2013, Svetlana Kostic 2013, Izet Hot 2014.

Publications:

:: 126 publications, more than 60 in International journals.

SCI index:

:: More than **366 citations (SCI Index)** within the period 1988-2015, **Hirsch index h=10 (Scopus)**.

Design experience:

:: Engaged in the design of concrete and steel structures in Serbia, Russia, Irak, Algeria.
