

Biography Paul van Asperen

Paul van Asperen graduated from Delft University of Technology (DUT) with a MSc in Geodesy in 1989 and worked consecutively for the University of Zambia, ITC, the national mapping agency in the Netherlands and Rijkswaterstaat (the executive agency of the Ministry of Infrastructure and Water Management). He completed his (part-time) PhD at DUT in 2014 on the evaluation of innovative land tools in sub-Saharan Africa, based on three peri-urban cases. Since 2017, he joined ITC (Faculty of Geo-Information Science and Earth Observation University of Twente) again as an assistant professor in Land information systems.
